OBJECTIVE

The Weekday program at QSBC provides a variety of learning experiences in a safe and loving environment. We believe that a child learns about God from people, things, and experiences. We teach love and thankfulness for God and the things God has made through age appropriate activities. Our curriculum is based on the WEE LEARN series published by LifeWay Christian Resources in Nashville, TN.

SECURITY

Your child's safety is at the forefront of our security procedures. The Preschool Suite is a secured facility. Families will check out key fobs to enter the suite during the school year. All children must be escorted to class and signed in upon arrival on the register outside the classroom. Children are supervised by a minimum of two teachers and we will not release a child to anyone other than a parent or guardian unless our office has received written permission to do so. In such a case, the person picking up the child must check in at the Weekday office and show photo identification before we will release the child. We have no legal authority to refuse either parent the right to pick up a child unless this is COURT ORDERED and a copy of that order has been given to the Weekday office.

SCHOOL CALENDAR

The Weekday calendar closely parallels the Edmond Public School calendar. We will be closed on most days that Edmond Public Schools are closed. Tuition prices have been set for the year with holidays in mind and then divided into equal monthly payments for your convenience.

For more information, contact The Weekday office at 405-302-3023.

*"Let your light shine before others, so that they may see your good works and give glory to your Father in heaven."
Matthew 5:16*
